Parent response to Proposed 1:1 BYOD (Bring Your Own Device) iPad program

Parents of current students in Years 4 and 5 were surveyed to ascertain the levels of interest, support and concerns for the BYOD Proposal. These grades were selected as the first families where the proposal would have an impact.

3 responses were asked from parent of current Year 4 and 5 students

1. I/we support the implementation of the proposed 1:1 BYOD iPad program
2. I/we are interested in a 1:1 BYOD iPad program but would like more information before making a decision.
3. I/we do not support the implementation of a 1:1 BYOD iPad program at Rosary.
4. Did not complete/return the parent response

### Year 4 parents

- 52% in support of BYOD
- 13% more information required
- 13% do not support BYOD
- 22% no response received

### Year 5 parents

- 52% in support of BYOD
- 23% more information required
- 14% do not support BYOD
- 11% no response received
