9 February 2017- Week 2 Tem 1

TOGETHER WE DO OUR BEST | BELIEVE | EXPLORE | STRIVE | TRIUMPH

Dear Parents and Friends,

The Opening School Mass, held on Friday of last week, was a wonderful celebration and it was lovely to have so many of our parents with us in church. Father Kieran extended a blessing to the whole school community but especially the children as they begin their journey of learning in 2017. I was so very proud of the way the children participated in the Mass; they sang like angels, read loudly and clearly and moved graciously. Their behaviour was very reverent and respectful and it was a delight to share the occasion with them.

Parent Information Night and Welcome BBQ

Thank you to all the parents who came along on Tuesday evening to hear all about what the children will be learning this year in the various classes. I take this opportunity to thank the teachers for their hard work in preparing for the year's learning and for their enthusiasm for teaching and commitment to the profession. If you were not able to be present to collect a Term Overview, it can be accessed on the school website.

Special thanks to the Year 6 parents and the Community Council for hosting the Welcome BBQ. It was lovely to gather as a community in the quad, to catch up with old friends and to make new ones!

Medication at School

Should your child require medication to be administered during the day, a written note with instructions for dispensing must accompany the medication and these must be taken to the front office. The central storage area for medications is in the sick bay where there is a fridge and a medicine dispensing register that must be filled out by the appropriate staff member whenever medication is administered. The only medication that may be kept with the child is an asthma inhaler. Should any child need to carry a spacer as well, a personalised waist-bag is available from the front office for \$6. The waist-bag allows the child to work and play uninhibited by the items.

Allergies and Anaphylaxis

As there are children enrolled at Rosary who have allergies to a variety of substances, we ask that children do not share food or buy food for one another at school. We appreciate your support in especially avoiding sending any foods that contain nuts. A few children may experience very serious and even life threatening symptoms if exposed to certain foods.

Car Park Safety

Please be aware that the speed limit in the car park is 5kph. Students who leave vehicles which are parked in marked bays need to be accompanied across the car park by an adult to enter through the gates to be supervised in the quad in the morning. Likewise, students need to be collected by an adult from inside the quad and then supervised all the way to parked vehicles at dismissal time in the afternoon.

I ask that drivers also resist the temptation to park alongside the kerb in front of the gates on the basketball court as this is drop off zone only in the morning. Parking is not permitted along this kerb in the afternoon.

I ask all drivers to be mindful of the car park rules and to adhere to them on every occasion for the safety of the children and all others in our community.

Condolences

On behalf of the school community, I express sincere condolences to Mrs Alison Marks on the passing of her mother, Gwen O'Neill, on Tuesday this week. Our hearts go out to Alison and we ask the Lord to give her strength during this very sad time. May Gwen rest in the eternal peace of our loving Lord and may Alison and the family be comforted by their wonderful memories of Gwen.

I wish everyone a very happy St Valentine's Day on Tuesday next week!

Indonesian @ Rosary

Every year a number of students bring in items they have purchased during visits to Indonesia. Others bring in items belonging to friends and relatives who travel and work in Indonesia. We are always excited to listen and learn from these 'show and tell' times and many items have been donated to Rosary and are displayed in the ruang bahasa Indonesia (Indonesian classroom).

Below is a list of some of the common vocabulary the students and I use during lessons. You might like to print it to display at home.

BEST Assembly

Please note the change of time for tomorrow's assembly - 2pm School Hall. All welcome.

Year 6 Grade Mass

Year 6 will be participating in a Mass next Thursday, ACU Chapel 10am, to celebrate their leadership role within the school. All parents and friends are most welcome.

Sacramental Programs

At Rosary, students receive the Sacraments in the following grades:

Year 2 Reconciliation
Year 3 Eucharist
Year 6 Confirmation

If any students (Baptised Catholic) have come to Rosary in the higher grades not receiving these Sacraments and wish to do so, please let me know.

Peace and best wishes
