Dear Parents,

In preparation for our Science unit “Living Things” we will be visiting the National Zoo and Aquarium. During our visit students will take part in a learning session called “Feather, Fur and Scales”. This session will provide an introduction and overview of the basic needs of animals (habitat, food and families) and classification. The students will meet a mammal, a reptile and bird to learn first-hand what these animals need to survive.

Please send your child to school on the day in full sports uniform. Students will need to bring recess, lunch and a water bottle in a plastic bag clearly labeled with their name.

Each class will require two parent helpers on the day. Unfortunately we cannot take toddlers with us. Please fill in the space provided if you have your Working with Vulnerable People Card and are able to help on the day.

Thank you,
Ann-Maree Hinds and Fiona Chapman

PLEASE COMPLETE THE SLIP BELOW AND RETURN TO THE CLASS TEACHER AS SOON AS POSSIBLE.

(Name of child) _____________________________ in class __________________________ has permission to participate in the excursion to National Zoo and Aquarium on 24TH March 2015
I am available to assist. Please circle: Yes  No  I have a WWVP card. Please circle: Yes  No

CONSENT TO MEDICAL ATTENTION: In the case of an emergency, I authorise the teacher in charge, where it is impracticable to communicate with me, to arrange for my child to receive such medical attention as may be deemed necessary. I also undertake to pay costs which may be incurred for medical attention, ambulance transport and medication while the child is on the excursion.
